## TOPCALF DUO EASY-CLEAN XXL

Ready for the Future: Ease of Work & Optimal Calf Comfort

### Duo Easy-clean XXL

The Topcalf Duo Easy-clean XXL is the latest addition to the Topcalf Easy-clean product line. After the Mono Easy-clean and the Trio Easy-clean, the calf hutch Duo can now also be equipped with the award-winning Easy-clean system, which allows the calf hutch to be mucked out in no-time.

### Kalverhuisvesting in Duo's

This calf hutch features very large lying areas and has a total lying area of **4.5M<sup>2</sup> (248.5 x 183.3)**, where calves can be kept in pairs by removing the removable partition wall. Research has shown that this improves the calves' social development. In view of changing regulations and developments in other countries, this calf hutch offers a future-proof solution. Ease of work and calf comfort are maximised in this calf hutch.
